

Men's Services Menu

We find that many men enjoy a professional appearance, which includes hair, nails and skin treatments. And they really like coming in every few weeks to keep their sharp looks and distinctive business image.

The Spa at The Inn at Leola Village provides a thorough menu of services for gentlemen designed to enhance their natural good looks. We provide natural nail manicures for men massage services, Art of Shave and a full assortment of hair and skin treatments.

Welcome.

Art of Shave

Royal Shave

(45 min) \$55.00

Our shave starts off with a hot towel and facial massage with Pre-Shave Oil. After applying a warm shaving cream, your beard is shaved with a straight edge razor, followed by another hot towel wrap and an after-shave mask, which is removed with essential oils. Last but not least, your face is massaged with rose water and After-Shave Balm to replenish natural moisture, leaving you feeling like royalty.

Aromatherapy Skin Treatment

(30 min) \$45.00

This exclusive treatment for men is designed to clarify and rejuvenate the skin. A hot-towel treatment opens the pores, and a facial wash cleanses and balances the skin. The skin's texture is refined with a facial scrub, followed by a

hot-towel wrap and an After-Shave Mask, removed with aromatic essential oils. An Eye Gel and Lip Balm complete the treatment, leaving your skin refreshed and invigorated.

Facial

Hydramemory Facial

(60 min) \$90.00

This is an intensive hydrating treatment for the face, neck and decollete. It will temporarily reduce fine lines, restore tone, and help prevent visible signs of premature aging, ideal for all skin conditions – specifically recommended for dehydrated and stressed skin

Express Hydramemory Facial

(30 min) \$50.00

When you're short on time.

Sublime Skin Lift

(75 min) \$145.00

Formulated for delicate, as well as resistant skin, and treatment stimulates the renewal of epidermal cells and improves the appearance of soft, premature wrinkles, bringing radiance to your skin.

Express Skin Lift

(30 min) \$80.00

When you're short on time, but no extractions.

Skin Remedy

(60 min) \$95.00

Specifically designed for our clients with sensitive skin. The treatment is instantly calming and relieving of redness and irritation, while nourishing and protecting your skin.

Active Pureness Facial

(75 min) \$115.00

This is a deep cleansing treatment designed to purify and regenerate skin that is prone to acne. A special mask with Spirulina Algae will leave your skin feeling fresh, smooth, and renewed. It's ideal for all skin conditions, but recommended for oily congested skin caused by acne.

Culminating Facial

(90 min) \$175.00

An extreme anti-aging treatment including a deep cleanse with intensive alpha hydroxy acids to restore life into your skin. Experience the Himalayan salt stone massage benefits while a renewing eye, lip, and collagen masque works to regenerate elasticity and firmness to your skin.
